Terms and conditions

Payment: A non refundable deposit of £10pp half day or £20pp full day is to be paid to secure your activities. Without this you may lose your places. The balance is due 14 days prior to your activity date, or your activity may be curtailed.

Cancellations: All cancellations and changed group numbers must be sent in writing and signed by the person who originally made the booking. This is to be received by us no later than 14 days prior to the activity. Groups will be charged for the full amount if the cancellation is not received before the 14 days. Deposits are non refundable. We retain the right to cancel at any notice due to adverse weather conditions in which case an alternative activity shall be offered. If this too is not possible an alternative date shall be offered.

Health: Some of the activities undertaken do require a minimal amount of physical ability. An average degree of health is required (however no previous training or experience is necessary). A declaration of good health and physical ability shall be completed before the start of any activity. All previous injury and illness must be declared. Appropriate safety measures are applied where necessary. Any participant under the influence of alcohol or illegal substances shall be removed from or not taken on the activity with no refund given. This also applies to aggressive and or disruptive participants, which may put themselves and or others in danger.

Insurance: Adrenalin Antics are insured for public liability. However we fully recommend individuals take out their own personal accident and cancellation insurance.
